Dear Dr. Seetharaman;

It is with great pleasure that I inform you that you have been selected to be this year's recipient of the Lewis and Ruth Carpenter Teaching Award for Teaching Excellence in the Outpatient Setting. Dr. and Mrs. Carpenter initiated this award in 1991. Dr. and Mrs. Carpenter lived in Camas, Washington for many years where he practiced general/family medicine prior to his retirement to Hawaii.

The award is given annually to a volunteer faculty member of the Department of Family Medicine who is actively engaged and committed to one-on-one teaching in the ambulatory setting. Selection of the recipient is based on nominations by the Medical Student Education Section and continuity of service to the Department of Family Medicine. Your name will be inscribed on a permanent plaque in the Department of Family Medicine and there is a small cash award.

Traditionally we present this award during Celebration Lunch at the Oregon Academy of Family Physicians annual meeting which is to be held on Saturday, April 22 at Sunriver Resort.

We appreciate all that you have done for our medical students throughout the years.

I congratulate you on this achievement.

Sincerely,
